Solutions for **COMMUNICATION**

Visual Impact of the facade

NON-LUMINOUS SHOWCASE

SHOWCASE WITH FLEX SOLUTIONS

FLEX offers a **SERVICE**, by dressing the showcase in an effective and functional way.
Panels for **luminous communication LED CHROME**, **LCD digital panels MEDIA CHROME**,
digital panels LED SCREENFLEX and **luminous and non-luminous SIGNS**.

LUMINOUS SIGN

Lumionous SIGNS offer high visibility and brightness. They can be designed in various dimensions and types.

SCREENFLEX

SCREENFLEX, presented hanging on low tension stylus, it's been designed to make digital communication the protagonist of the environment in which is located.

LED CHROME

LED CHROME products, with quick change of the message, offers an exclusive combination of elegance and LED technology in order to achieve the maximum level of communication.

MEDIA CHROME

MEDIA CHROME® solutions, hanging on low voltage cables or stylus, are designed for your dynamic communication. A solution elegant and discrete that can be positioned in every environment.

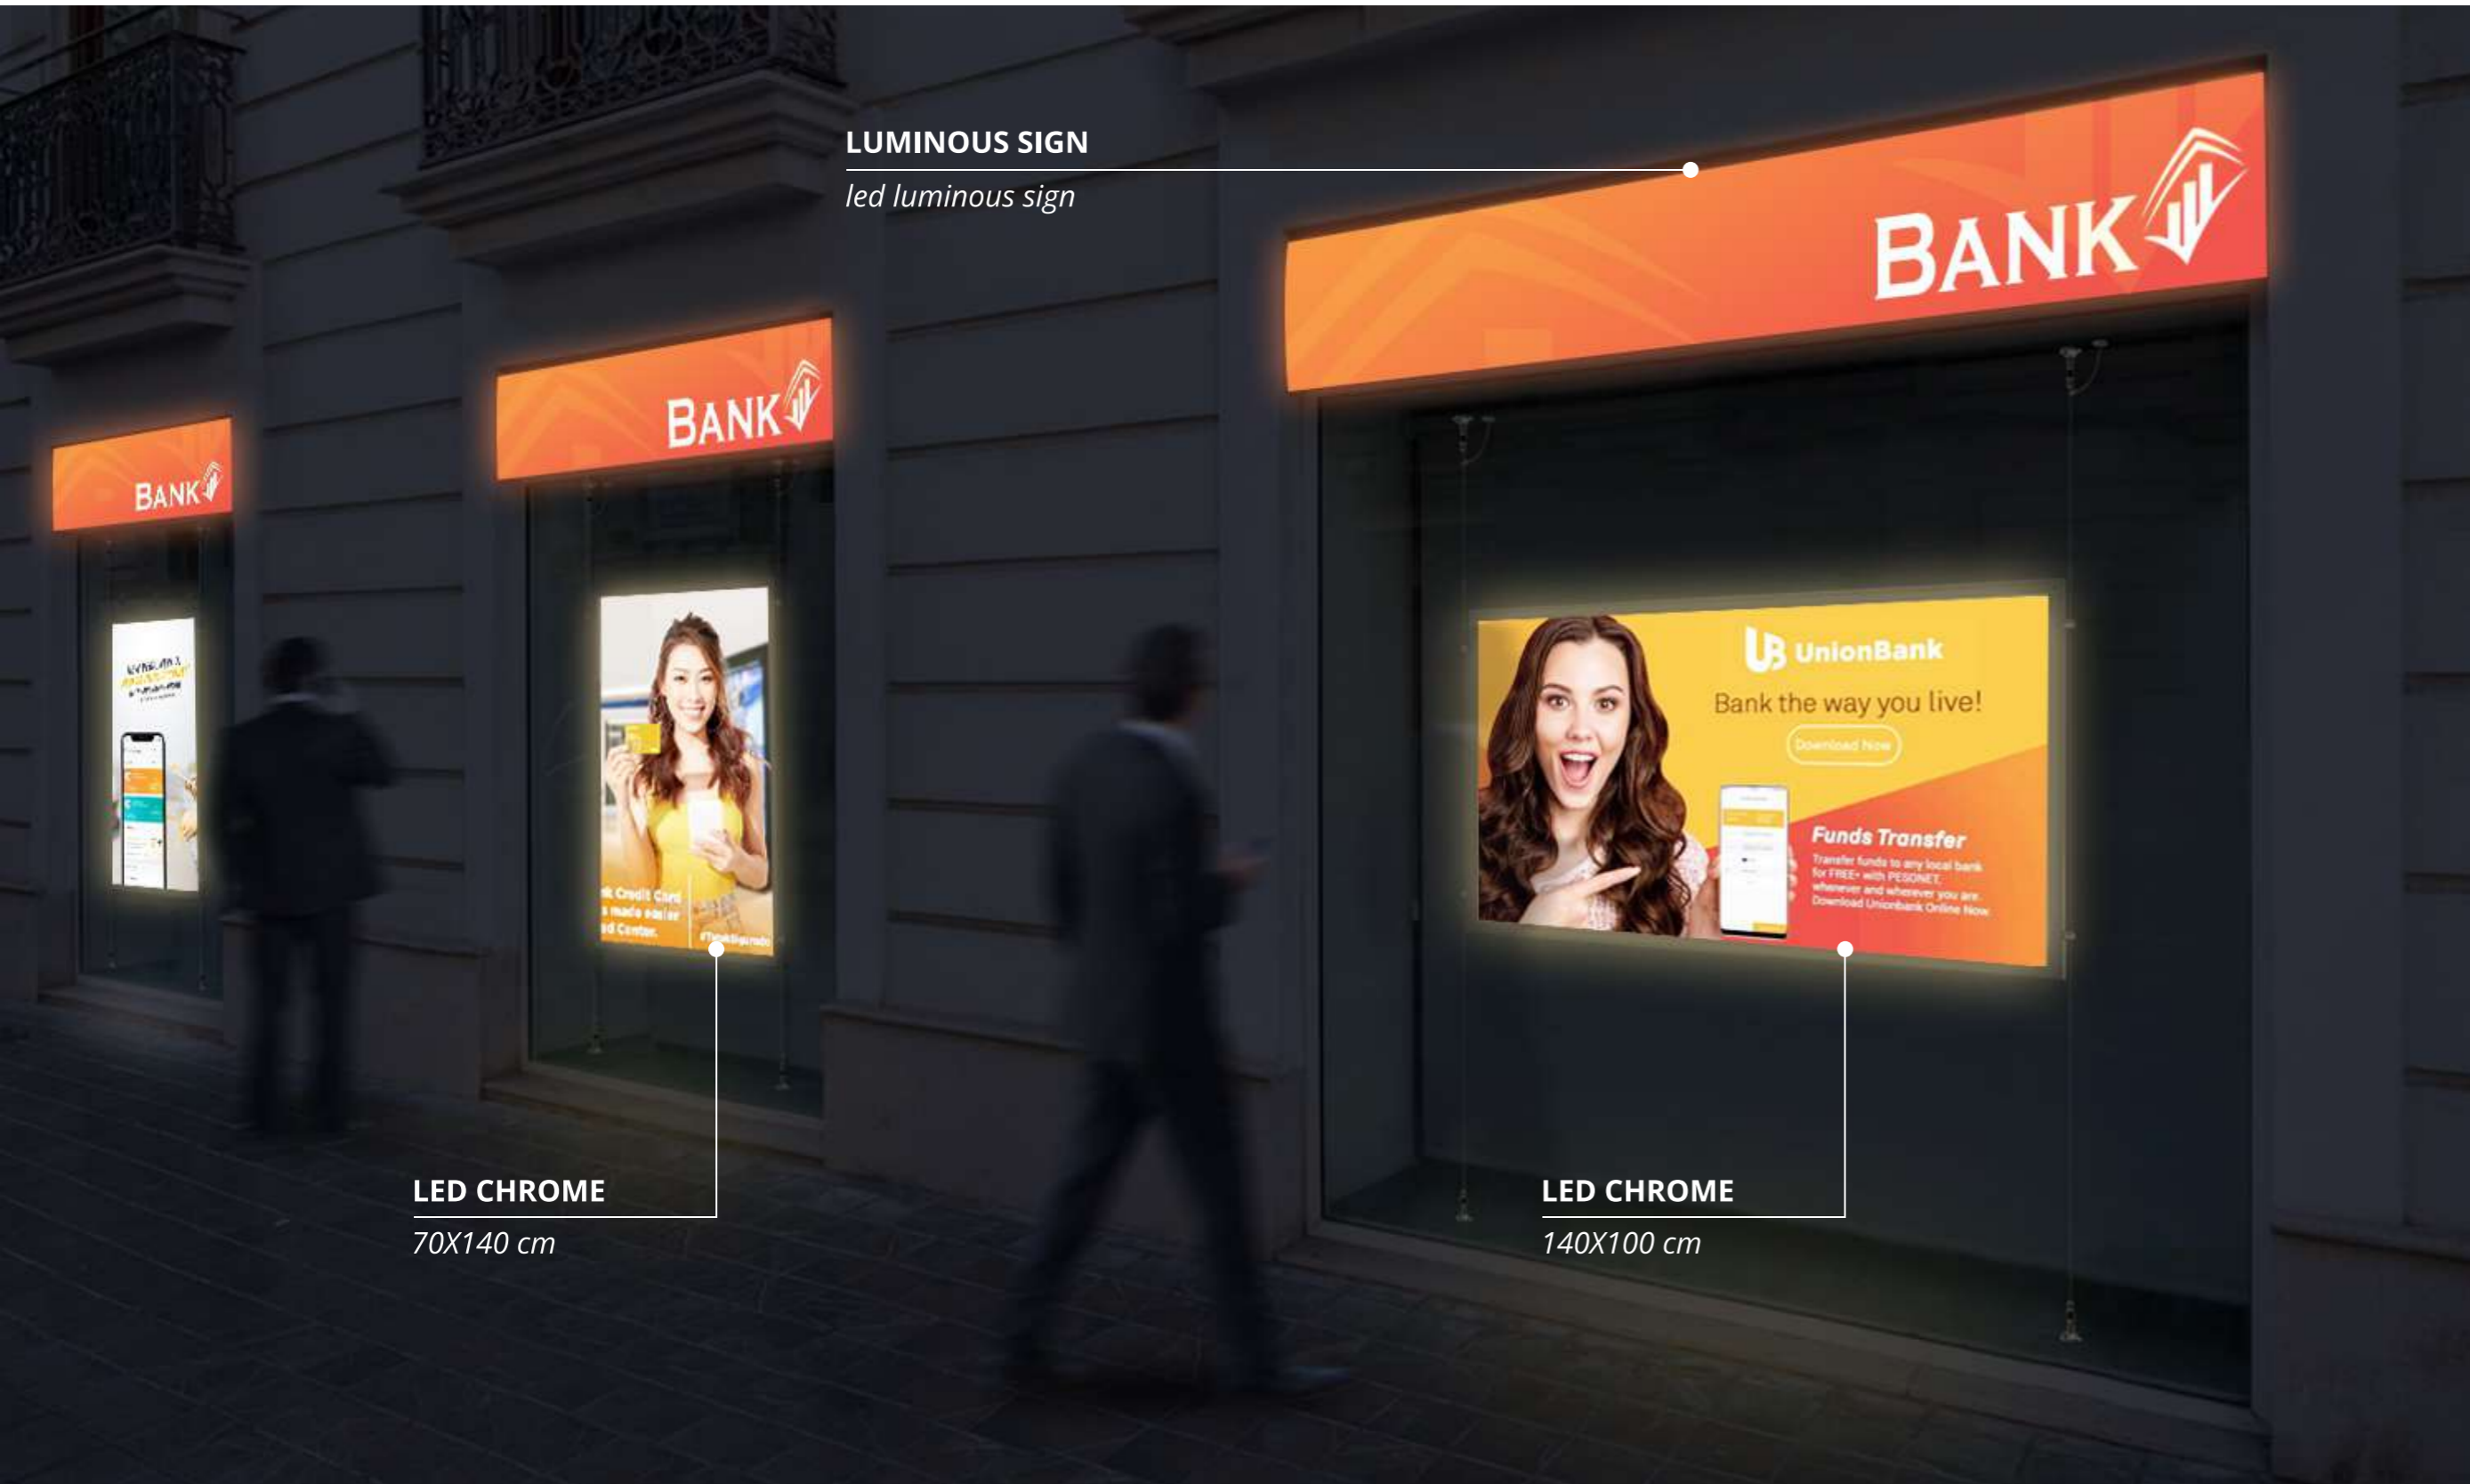

NON-LUMINOUS OUTDOOR SIGN

Customized external sign for communication opening hours or customer information.
